Just so very sorry... keeping the family, especially Ricky and Tanya, lifted up. My grandmother often said that when you lose your mother, you've lost your best friend. She was right. Sending love and hugs... Rhonda and Baxter

I'm so sorry for this loss to your family. Betty loved her children and their families so much. I know it was a great reunion for her to be with Richard again. They were 2 of my favorite cousins. I tried to stay in touch so this was a real shock for me. Share your memories and may God give you all the comfort that only He can give at this time. Love and sympathy to all of you.
