“ *Bobbie was my only first cousin. She was older but we did spend some fun times growing up. I remember her piano recitals, gorgeous gowns, playing Barbies, back my projects. God bless and comfort her family.*

*Charlene,
Mama mentioned many times going to Uncle Bryant and Aunt Dorothy's house and playing. She always talked about how smart you, Edwin, and Shari were. She loved all of y'all so much.*

“ So many fond memories of her from singing Elvis songs with Jon Thomas to funny things she would say...she loved her Jesus and I am sure she is rejoicing and was glad to be reunited with her Dad and Mom. I will miss her calls in that southern drawl. Til we meet again.
