“ To our family, we want to express our deepest condolences. Though we not able to be there with you physically, we are with you in our hearts continually throughout this hard time that you all are having to go through. Uncle Bob was a good man that truly loved his family and is resting now. I just wish that I could had lived closer to him, so I could have gotten to know him better.

May our God continue to Bless each and everyone of you our Dear family. Only he knows all!

Amen and amen....

Sincerely your nephew and cousin,
