“ My condolences to the family. Bonnie was my mentor when i started in the PICU in 1979.. She and i worked the 3-11 shift for many years together. She taught me all about 'hot flashes' LOL. We made a great team! I remembered how she talked about her children all the time, and i felt like i knew them. Had several pieces of furniture that Bob created as well. Rest well my friend, maybe we will meet again one day....LaDonna

“ Bonnie Holt was my mother's sister-in-law and soon became one of our favorite aunts. My brother Lanny and I used to play with their children, which were about the same age as us. For some reason, we learned her name was "Aunt Bunny" instead of "Bonnie." I won't reveal how old we were before we realized our error. Aunt Bonnie was a gentle, caring person who devoted her life to helping others through the healing arts. I will miss her dearly, and I pray the Good Lord will put His big arms around her family and help them through this difficult transition. -- Larry McKay
