“ I met Brian back in 1997 when I was a patrolman at Kosciusko Police Department. He rode along with me several times, and I made many traffic stops with him as a ride along. Fast forward to 2018, and I was on the back end of my career. Brian was a senior officer, in fact, a Commander, at Holmes Community College and was instrumental in me getting hired there to finish out my career. Brian served many communities/jurisdictions during his career. He came into contact with many citizens and officers, and I am honored to say that I was one of them. To Brian Wooten's son, Your dad searched for you. When I started at Holmes CC, he talked about you and how he wanted to find you. I saw on FB that you two reconnected in his last days. Brian tried for at least since August of 2018 to reconnect with you. That was the first thing he talked about after I got hired on at HCC. Your dad tried to find you. It was definitely NOT his fault that y'all did not reconnect until recently.
