Phil, Your wonderful Mother gave me courage. In her 1963 Algebra 1 Class I was a lowly freshman in a room filled with upper Classmen. First thing she said was Carole go to the board. I made it to the board without the floor falling in and she dictated a problem and ask me to write it then answer it. It really didnt have an answer but I was afraid it might. After that day, I had courage to go to the board and at least try. Thank you MS June! You were loved as a fine teacher. Carole Stewart Kemp
