“ *My little red neck psuedo son, in his tight blue jeans and boots on hat tipped back conversations peppered with ma'am and Miss Lynn, I'm going to miss that smile. Too many stories to tell but I was always proud of this young man. Just wish I had told him more times. May your soul be at rest and hug Theo's neck for us all. I know you missed him. I was proud you shared moments of your life with us and my sons. May the memories and love help sustain all of those who loved you. Rest in Peace.*
