“ *I'm proud to have been able to call Gilbert a good friend and to have had the experience of working with him over the years. He was someone who set such a good example of what it really means to put his community first. I'm blessed to have known him and thankful for his kindness shown to me and my family over the years. I'm so sorry for his family's loss. I will be praying for all of you.*

“ Coach Barham was my teacher in a class I had when I attended Leake Academy '81-'83. I remember him smiling the majority of the time no matter what he was doing. He is just one of those teachers you never forget.
