How do we describe Mrs. Charlotte, as:

C-aregiving was a gift, with her children especially.

H-elping wherever she could, giving graciously.

A-dored by all with whom she was part of their life.

R-omantically, Resolutely in love with Dayton as his wife.

L-oved unconditionally the members of her clan.

O-bserving multitudes of changes in the world during her life's span.

T-enacious describes how she met life's challenges head-on.

T-ough, in the way that she mastered each and every one.

E-ndearing memories have been made with this woman that we adore.

We're here to Celebrate her life and will love her evermore.

Mrs. Charlotte will be missed by the many lives she has touched.

She was and will always be immensely treasured.
