“ I am saddened to have just learned of Mr. Fletcher's passing. Although I wasn't around him but a few times, I knew he was special. His warm, personable manners made him quite the Southern gentleman! My deepest sympathy is extended to Tammy and family. May God comfort all of you as only He can. (I would have been there had I known.)

“ *The first time I met Mr. Fletcher, he greeted me with a hug, laughed and talked with me as though he had known me all my life! Many years have passed since then, but I will forever remember his kind and friendly spirit! And to his family, one thing I know - earth has no sorrow that Heaven cannot heal!*
