We loved Daniel Pilgrim!! He was a musician at our wedding in 2007. I loved his sense of humor. If Pilgrim was around, it would be a good time with music and many laughs. We are praying for peace and comfort for the family during their grieving. He was so loved.

“ *Our heart breaks for all of you! We are so sorry..... Daniel holds a very special place in our hearts and we loved him very much. For Joseph and I, the most precious memory of him is when he asked permission to take our daughter on a date when he was a teenager. In fact, he was the only young guy to ever ask. We were so blessed to get to spend time with him a few months ago. He will always be special to us. Our hearts go out to you as you process and grieve. Please know we are praying for you.*
