“ I have alot of moments that I can share and all of them are special. Luke was a type of man that stayed to his self. He was the greatest little brother a person could ask for. I will truly miss him everyday that goes by. I Thank God for the time I had with him but in my heart I know he is watching over me day by day. Luke I will always love you and I know one-day we will be together again. Love your sister Scoot
