“ Memories of Mr & Mrs Baker goes back to 1962-1963 when I met Eileen at Holmes Jr College in Goodman Ms. I spent the weekend with them once & Susan & White were just youngsters. In turn Eileen came to Sharon and spent the weekend with me. Neither of us realized at the time that her family ties to that small community went back generations. Thru work with the church & cemetery there I reconnected with the family. Ms Delle was always a joy & I was impressed with her awareness of her current circumstances taking care of her own needs but also keeping a loving watch over Eileen. She achieved her goal of 100 & I'm saddened that due to Covid we weren't able to throw a party commenrating her strength & courage. She will be missed.

“ Mr. Bill and Mrs. Delle were very special to me. I had known Mr. Bill my entire life and met Mrs. Delle just before his passing. We always took care of her electrical needs and she always wrote the sweetest and most kind letter of thanks.

She will be missed but as we know they are once again together.

All our love from Perry Doleac and family.
