“ My Dear Friend Donna Neese,
I know we lost contact at some point, but I always had you in my Heart , We were partners in crime. We had a friendship that God gives us, I cherished you always, I thank you for Loving Ariel as your own grandchild , also when I had Arianne you loved her two, that’s why I never forgot you! I never had a Special friend like after you.. You and your beautiful family will always be part of my family. I will meet you in Paradise when it’s my time, but for now God needs me on earth, because I have a big mouth ... Laugh if the day Donna, I’m already seeing you laugh!
I will stay in contact with your children , Thank You for always being part of my family..
R.I.P. My sweet dear friend forever. ❤️💋🙏
