“ Our sincerest condolences to the family! We only heard the news today. Dr. Bowen was a very dear, lifelong, friend of ours who will be greatly missed. He was a great inspiration in guiding me(David) to become a great dentist. I will forever be grateful. I will forever be grateful for his infinite wisdom. I (Kathy) will forever be grateful of his very compassionate care of my dear sweet mother during her final months. It forever touched my heart to see the kindness that he gave his patients and families. His memory will forever live on in our hearts. Dr. and Mrs. David J. Caldwell and Family

Dr. Frank was a good man. He loved his family. He especially loved a great-grand-daughter (Heather Bowden) whom he thought of like his own. He will be missed.
