“ To Tim and Tony, my heart is very sad tonight as I read about Julian in the Clarion ledger. Although we seldom saw each other, he was a wonderful friend since we were in Weir school from the 9th grade. He and Gay (who was my 3rd Cousin), and who was one third of a trio of couples, who had much fun on most Saturday night dates together. We were all such close friends. Julian was always a very kind, caring and honest person. He was loved and respected by his peers. He was a great basketball player and I loved him like a brother. I will miss knowing he will be absent from the Weir high reunion in 2022. Love and Prayers for you, Tony and Tim
