“ *I'm sorry I was unable to attend the service. Hubert was a student of my dad's-Mr. Ide Dickens. He loved and enjoyed Hubert as a student and afterwards. Hubert came to visit dad several times over the years and dad always loved it.*

The last time I saw Hubert was several years ago when he came to visit dad when he was sick and just a few days before he died.

He was a special person and was always special to dad.

God bless you all during this difficult time.
