Grayson Rutherford Turner

On Friday, July 22, 2022, Grayson Rutherford Turner left his life on earth far too soon at the age of 9. Grayson's life will be celebrated in a Candlelight Vigil at Presbyterian Day School on Thursday, July 28, 2022, at 7pm in Kosciusko, Mississippi. A service will be held celebrating his life on Friday, July 29, 2022, at First Baptist Church of Kosciusko. A private visitation will be held for family.

Grayson was born in Florence, Alabama on October 15, 2012. He left this world the same way he came in, on his terms and full of life.

Grayson was attended Presbyterian Day School Kosciusko and would have started the 4th grade this fall. Grayson loved school and was an Honors student

You knew when Grayson was in the room, as he would fill it with love, jokes, laughter, songs, or questions. Grayson was the caboose - the one that completed the Turners in so many different ways. Grayson filled his free time doing the things he loved, building with Legos, playing guitar or chess, while always keeping everyone on their toes!

Grayson never wanted to be without his brother or sister, friends, or parents -

and now he never has to be as they will carry him with them always. We know he is waiting for his beloved dogs Wrigley and Rowdey, and the rest of his family to join him one day, but until that day we will have a Grayson size hole in all our hearts.

He leaves behind his older brother Brigham (11), older sister Olivia (16), and his parents Chris and Stephanie Turner of Kosciusko; aunt Samantha Hill (New Orleans), uncle Trey Hamlet and cousin Brandt (Nashville), uncles Josh Hamlet and Zack Hamlet (Memphis), maternal grandmother Connie Rutherford Hill (Memphis), maternal grandfather Chip Hamlet (Memphis); Uncle Justin Turner and cousin Hannah Turner (Carthage); cousin Zoey Turner (Carthage), paternal grandparents Carolyn and Steve Turner (Carthage); maternal Great Grandmothers Patricia Boyette (Memphis) and Carolyn Hamlet (Memphis).

In lieu of flowers, please send donations to Presbyterian Day School Kosciusko - Grayson Turner Memorial Fund.
