“ I remember when I married Richard Powers, the youngest of the Powers boys, Harvey and Lynda took me in as one of their own. They always invited us to their church. We went to their house and played games and had so much fun with the kids. Years later, when Richard died in a car accident, Harvey was a Mentor, Uncle and Father figure to my boys. They are heart broken over the lose of their Uncle Harvey and we will always miss him.

When we moved to Laurel Hill a little over 3 years ago, Mr. Harvey was the 1st of our neighbors to come over and welcome us. Since that day we have grown to love him and Mrs. Lynda so much. What a blessing to have them as our friends and neighbors. Precious family as well. Mike and I will miss him so much. Praying peace and comfort over each of his family members as I know they will miss him tremendously...  
Much Love,  
Mike & Donna Conerly
