“ I met James Harvey when we were about 19-20 years old working on a construction job. James was operating an elevator, taking workers and supplies up and down....James had a pair of gloves on, LOL he was pushing buttons on the elevator wearing gloves! We laughed so hard we couldn't stand up. We were fast friends from then on till we both married, had kids, drifted apart etc. I will always have him in my heart. RIP my friend.
