“ *To the family of Mr. Perkins Sr, please accept our condolences for the loss of your loved one. We know there are no words that can express the grief you must be feeling at this time. Please know that God is not indifferent to how we feel when death occurs. He had to suffer through the death of his loved one Jesus Christ. He made a provision for the recovery of our loved ones through the resurrection found at Acts 24:15. Jesus said before his death that there would come a time when all those in the memorial tombs would hear his voice and come out. He stated this at John 5:28,29. This will take place right here on the earth. We hope this brings a measure of comfort.*

“ I remember how much he cared for the Joshua and the kids. He will always be missed. He was such a wonderful man. He took in and helped the ones who needed it and appreciated it. He was certainly one that would respect you if you will respect him back. He was certainly one that lived by you do unto to him and his family as you would want him to do to you. He loved watching the kids play. He will be missed. We loved him so much.
