“ He was the last biological uncle for me and my siblings. Uncle James was my mother’s “baby” brother, and she used to tell me how she watched over him when he was young. Now, she can watch over him in heaven. I will love and miss my Uncle James. Prayers to Tanya and all of the family.

“ My dear sweet brother James. I will miss our morning talks so much, we talked about our family most but these will be truly missed. It is a shame that we have only gotten to see each other once in the last four years, due to someone being so selfish, but they will have to deal with that now that you are gone. I am so sorry that you had to suffer so much does not seem fair, but I know you are home now and no pain or suffering.

*Miss you so very much, rest in peace and say hello to all our family.
Love you forever,
Rebecca*
