“ *I've known the Walker family for many years. They have always been kind to me. Jay and I were in the same grade at Leake Academy . Jim and Jon were my friends also. My thoughts and prayers are with you all. Donna Wilkeson Pope*

“ *Jimmy (Poppa) and Shirley (Nana), I am so sorry to hear about Jim, a parent should never have to bury a child, I have prayed for comfort for you since Jon told me. I want you to know my heart is with you, and I love you all so much. I wish I was close enough to come be with you during this time. God bless you, I wish I could give you a big hug. Love Sonya*
