“ *A very wonderful guy enjoyed talking to him whenever we were together a cousin that I didn't get to spend enough time with. So sorry I could not come out of town but my prayers are with all of the family they are all so strong to have gone through their hardships and just ask God to be with them now*

“ *A real sweetheart...such fond memories of him when we were children. Prayers for his sweet family who have endured so much over the last few days. Rest in peace cousin and just wait for the rest of us to join you in that much better place where you are at rest now. Loved you and your precious family so very much.*
