“ So sad to hear the passing of Daniel. My condolences to his family at this time. Daniel was so integral to helping me integrate into Houston when I arrived from Scotland. He was much loved by so many people and he made me feel so welcome and without that, it would have been so difficult for me to make friends, good friends, in Houston.

An amazingly warm hearted man who has left us far too soon. Rest in peace Daniel. I thank you so much for what you did for me when I was in Houston by myself and you have left me with so many good friends through just being you.

See you again sometime :)
Your Scottish buddy for life, Mikey.

“ I just heard about Daniel's passing. I want to express my condolences to the family and other friends. I was hoping Daniel would regroup and move forward when he returned to MS. I enjoyed talking to him in person and text over the past 8 years. I'm sorry for your loss. Daniel was a delightful, if flawed, person. May he rest in peace.

His friend,
