 Rob
Neblett

“ Sorry to hear this. Johnny was full of life and good stories. I have very fond memories growing up hunting and fishing with him. I'm sure he's entertaining someone in heaven right now. RIP my friend.

“ I have not seen Johnny in over 25 years. I read about his death on face book. I remember how full of life he was and never a dull time when he was around. He had a yell like no other.
