“ I only met Blake one time on a stormy day for a photo session with his family. He was so sweet and polite and tried to make me feel comfortable even tho I was a nervous wreck. I am so blessed to have known him and I am praying for the family. He will be forever missed. ggoss

“ I never met or knew Blake, however his Great Grand Father was my Pastor as a child. These Donaldson/Burgess/Simpkins families WALKED what they TALKED - they LIVED what they were GIVEN by Almighty God! This young man is a reflection of this family and a branch off the original tree that was ROOTED FROM CALVARY! He is a WINNER and a TROPHY in God's trophy display room! May the God of Acts 2:38 and the UPPER ROOM EXPERIENCE continue to operate through Blake's life lived for 22 years. All of you remain in our prayers!
