“ Deep condolences to the Turner family. Because of the pain we suffer when we lose our loved ones it can bring great anxieties and stress upon us. Psalms 55:22 I hope it will help relieve some of the anxiety and stress for the Turner family.

“ I will always remember Aunt Kate, she was a character and one cool lady, she was the first person to ever help or let me drive her car, and was a fun person with a joke , we will all miss her and hope that she has finally found peace, with those that went before her. my Blessings and prayers to the family at this time, and know we are praying for you all;

love and prayers  
Daryl.
