“ Miss Linda was a very special lady that I feel blessed to have known. We shared lots of memory making times together at the campground. Our thoughts are with Kathy, Mike and her entire family. Love, Donna and Barry Pope

“ Mr Hannis I am so sorry about your loss. She seemed like such a sweet lady. I will keep you in my prayers. Jason and Kimberly my heart hurts for you. I know the whole family has been through some difficult days. Jason I loved your Mother from seeing and talking with her at your and Kimberly's wedding. I don't have any magic words to say. I wish I did. Just know I care and will be praying for all the family. May God bless and comfort each one of you

“ Charles, I am so sorry to hear of your loss. Linda Gail was one of my dear high school classmates that I had stayed in touch with over the years. You may not remember but I stopped by for a visit with the two of you about 2 years ago on my way back to Louisiana after visiting my mom. Will miss Linda Gail, all she did for our class and will keep you and your family in my prayers.
