“ Oh Slick you have been on my mind a lot lately, more than usual and now I know why. Now remember you, Pride, Parker and L E are going to tell the truth about those bass you will be catching up there because the man that walked on water will be listening. Will miss you my friend but I know you are at peace and no longer in pain. I am thankful for all the memories made over the years. Prayers to Ashley and her family. Boys he told me that he had given you his fishing lures. Keep them and treasure them. He made a lot of memories with them with those fellas I named above. Love and prayers ❤️ 🙏 Sue Leonard Nowell
