“ You were my Paw Carroll's baby sister & one of his & Granny Carroll's favorite people ! I remember the visits when you came by to see them & I was there & when I got to visit you & Grandmaw Edna at the hospital when I was young.. My mother is Margaret Elizabeth, I am Sondra Elizabeth "Sandy", My daughter is Jessica Elizabeth, My granddaughters are Audrihana Elizabeth, & Jaycee Elizabeth. We all have part of your name. Aunt Bibb & I had discussed this on our last phone conversation. I could have come to see you at the hospital but I did not know about your accident until after you passed away. I was sad that I did not get to come to your funeral today, I will truly miss our hour long phone calls. You always told me a lot of good stories about my Paw Carroll & I remember how selfless & caring you were to take care of Grandmaw Edna all those years. You really took good care of your mother ! You were always so special & precious to me ! I will always hold fond memories of you in my heart ! Rest in Peace Aunt Bibb !
