“ *Those we hold in our hearts never truly leave us. They live on in the kindnesses they showed, the comfort they shared, and the love they brought into our lives. Valentine will live on in our hearts forever and those of us left behind will have many fond memories to sustain us in the days ahead.*

*Mike and Luanne, we hope you'll find some comfort in the love and memories your hearts will always hold onto. Although no words of sympathy can ease the loss you bear at this time, still, may you find some comfort knowing others truly care.*

*God bless you and keep you until we meet again.*

“ *There is no night without a dawning  
No winter without a spring  
And beyond the dark horizon  
Our hearts will once more sing...  
For those who leave us for a while  
Have only gone away  
Out of a restless, care worn world  
Into a brighter day.*

*Valentine,  
Your life was a blessing...  
Your memory a treasure...  
You are loved beyond words  
and missed beyond measure. ❤️*

*Those we love don't go away,  
They walk beside us every day,  
Unseen, unheard, but always near,  
Still loved, still missed and very dear.  
Extending my deepest sympathy  
For you in your loss.  
And hoping, too,  
That comfort and peace  
May come to you.*

*God bless you,  
Linné*
