“ I know that Mike will be missed by all that knew him. I have so many fond memories of him the years we went to school together. He was always so full of energy and life. Always had kind and encouraging words to say to me. My heart is heavy knowing that his life was cut short but I do know Heaven has gained another angel. My thoughts and prayers are with you the family.

“ Ms Brenda and Kristi, my thoughts and prayers are with you. I was telling my family about Mike on Monday night and how he always said he was going to be an attorney. He was funny and outgoing. I remember him in 8th grade history...he sat across from me. We talked a lot...more than we should have:)I know your hearts are heavy and he will be missed. I have many fond memories of him and wish that I was close enough to attend the funeral. I have read through Facebook about how he loved the Lord and served Him. I know that makes you proud. Please know that I am with you in spirit and will continue to pray for you.
