“ Alan and Family,

I am so sorry for your loss and so happy for your mother's gain. She has won her race. She is victorious and has reached her goal ahead of those of us who are left still fighting a good fight and giving you even more to look forward to.

She has passed on her mantle and heritage for you all to pick up and continue to carry forward to the Glory of God. Be thankful for all the great memories you have and let those not quite so great melt away in the past. Live to honor her memory and her name.

You have all been and will continue to be in my prayers. Remember God does all things well and He continues to have great plans for you all. May you have peace and wisdom in the coming days.

*God bless you all,

“ Alan,

You are in my thoughts and prayers as you lay your Mother to rest. Take comfort in knowing that she is celebrating her homecoming with the Lord.

I've only known you for a short time, but I can tell that you are a man of faith and love your family deeply. I know you are surrounded by people who love you. You and your family will get through this difficult time while leaning on each other. Your mother raised a good man who in turn raised good sons with the help of their mother, Tanya. Celebrate the never ending love of your family at this difficult time.
