“ Gene and I just learned of Leo's passing. So very sorry. One of my favorite memories of Leo is: everytime he saw our daughter Gena, he would either buy her a watermelon or give her money. Then, when he first met me, he thought I was a guy. Leo will be so missed

“ Leo was my Grandmother, Lottie Perry Hill's, 1st cousin. That makes Leo my 1st cousin, twice removed. I am very sorry about his passing. I met Leo and Polly last year when I brought Ted and Nell to visit in their home. We had planned another visit this Spring as soon as the weather was warmer. We all had a wonderful visit that day. I am happy that the three of them were together one last time.

*Since my last name is Townsend, born in Philadelphia, Polly and I explored our possible kindship. We were unable to find a connection.*

*Again, our sympathy to the family.*
