“ So sorry to hear of your loss. I will always be grateful to you for allowing me to work at Scott Regional Hospital for 10+ years under your leadership and guidance. It also meant a lot to my family and I for allowing me the opportunity to spend several days at your home landscaping and getting to know Mr. Phil. I will never forget the kindness, not only shown to my wife and I, but to our children as well! You and your family are in our thoughts and prayers!! We love you!!
