“ *I don't have just a particular memory with Ramona because, Every time we ever got together, we were laughing and giggling like little teenagers. We could eyeball each other across the room and it was a Relationship like Ms Maggie and I had. Nobody else in the room or we would be so in tuned, we would start laughing and tune everyone else out and a lot of times the last two out of the church. I love Ramona and I have No Doubt in this world that she loved me, faults and all, just like Ms Maggie. If they liked you, it was pretty much love but if you rubbed them wrong, you would pretty well know it.*

No doubt that if Jesus didn't keep a smile on His face all the time, He will now. I thank you Lord for the light she brought to my life. Love you Sister and look forward to the day we ALL get to Heaven.
