“ *Just heard of Uncle Raymond's passing. He and Aunt Shirley were both the most loving and generous people ever to be. Our family enjoyed many visits in Maryland and had the time of our lives that will never be forgotten, Amazing how love goes a long way. Speaking for my Mom, 'Min' and the rest of our family , thank you and rest in peace,*

“ A wonderful gentle man whose life touched so many and who made being around him an enjoyable experience. He lived with my family many years, visited every year and left many great memories. What a shame that in his last years of need while suffering from dementia he was admitted to a nursing home for four and one half years.

Such cruelty and elderly abuse should never be cast upon anyone especially a person who lived only to be kind to everyone he touched.

You have been missed immensely since your time served in the nursing home as your mind could not survive in captivity. You are now free and may your spirit connect with your loved ones again in this event we call life.
