“ Mrs. Minshew was always willing to spend the time to help every customer when she owned the Shoe Rack. When my Daddy died there were people waiting to speak to all of us. Mrs Minshew waited until the line slowed so she and I could talk. We always shared good times anytime I saw her. I would ask about all her children and she would inquire about my life. I know she is on her way to heaven.

“ Sending thoughts & prayers for all the family of Ms Reedia. She was my first boss when I worked for her at the Shoe Rack on Saturdays when I was in high school. It worked out good for both of us. She paid me & I usually turned around & bought a pair of shoes. She was a kind, sweet & mild mannered boss. Any time in later years we would run into each other around town we would always stop & visit awhile. I loved how she loved & was so proud of her grandchildren.

“ My sympathy to the Family of Reedia. I have been friends with her many years and shared stories of both our families. Such a joy to hear how proud she was of Gardner and his football career while we volunteered at the hospital together. We all loved her.

“ So sorry for your loss. I know that your mother will live on in your memories. I remember traveling with your mom and dad to a couple of football games when Flint and Shane were playing for Millsaps. Your dad was quite a character and an entertainer. Your mother was pleasant and lovely to travel with. I enjoyed the time I spent with both of them. God bless you all. My thoughts and prayers are with you. Yvonne.
