“ *Serita you touched so many lives during your time here. You will be missed by so many people that you came in contact with. Your family was so very blessed to have you in their lives. Thirty years ago you joyfully told me about your Lord and your Church. It left an impact on me. The best part! The Lord revealed one of his faithful messengers to me. I'd say an Angel. I will never forget your smile and joy. Thank You Serita. Praise Be to God. Bill Henry*
