“ *I'm going to miss our phone calls every couple of days! I can't call you anymore and get your opinion on something. Life is too short and your where such a big part of mine. I miss you already, but I will see you on the other side. I love you and know you are happy now (back with Paul). Lillie*

“ Not only was she my Mawmaw, but she was my best friend. She never missed a graduation or important event. I'm forever thankful that I had the privilege to spend 29 years with her. I know she's rejoicing in heaven with my pawpaw and is no longer in pain. I love you, always ❤️
