“ *What a blessing she was to so many. Still remember her getting my mother so pretty to see us when we would come to visit her at the Lighthouse. She would do my mom’s hair, make up and nails. What joy she had in her heart in whatever she did and how she loved everyone. She will be greatly missed but what a legacy and imprint she left on so many. Thank you, Ms. Shirley, for all that you did.*

“ Shirley used to cut my mother's hair. She would always get wound up about some sermon my dad had preached and the more excited she got, the shorter she cut. She and Jr. had the tent revivals on their grounds that my dad preached and she and my Aunt Jean would travel miles to revivals. So many great memories. Such a beautiful and loving person - inside and out.
