“ Charles and I will miss you Red, he knows you will see his parents and joke around with Charlie & Dorothy Moore. Hard to believe i had just talked to you a few days ago. We had some good conversations, if I ask how are you today? you would always say I'm alright! I still enjoy talking to your sweet wife Walterine everyday. You know we are best buddies. We would talk about how you were doing, blue grass gospel songs, TV shows, and which one of us was cleaning house! We will see you again one day, God has another angel to watch over us all.

We love you, Charles & Letty Moore

“ Fishing with my Uncle Thad and my Daddy, doing all the tomboy things that drove my grandmother crazy. We red-heads gotta have a little mischief to be happy. I love you, Thad. Thank you for telling me the stories that I didn't know.
