“ She was an amazing woman and a friend. She was my first call when I found out I had cancer. She helped me throughout my journey. That was Theresa. That’s what she did; she helped. 💙💙 You are all in my prayers.

“ I was saddened to read this today. I met her years ago when she had her treasures at the store on Hwy 35N and when East Main Market opened I was delighted when I found out she had expanded her business. I always enjoyed chatting with her whenever she was in the store. I admired her positive attitude as she battled demin cancer. I knew that she was not doing well because everytime I would go in I always asked about her. Prayers for her children, your mamma set a wonderful example. She always taljed about you and the grandchildren and her love for you showed in her voice & face. Prayers for her husband as he continues life without her. Grief will come unannounced. I know from experience. Until you face the "in sickness" part of those wedding vows you can't understand the true meaning. May God give this family strength & courage in the days to come.

My sympathy to each of her Family Members, especially Jenna, who became a close friend while walking with me on Northwood Circle and mentioned her sweet Mother often.

I am saddened to hear of the passing of Teresa. She was a very kind and compassionate person. She was a faithful wife and a devoted mother. She was a faithful supporter of FBC Carthage and me as her Pastor. Larry and Teresa are longtime friends of over 49 years. I am blessed to have had them and their family in my life. May God richly bless all of you during this time

*I am saddened to hear of Teresa's passing. She was a kind and compassionate lady who fought gallantly for her life. She and Larry were always faithful supporters of FBC Carthage and me as their Pastor. Laey and Teresa are treasured long time friends of over 40 years. Jacob was a faithful Bible driller. We will certainly miss her, but remember her always. May God bless all of you in the days ahead.*

*I was heartbroken to learn of the passing Theresa. I met her in 1970 when we entered Mt. Vernon Township High School as freshmen. We had a wonderful friendship throughout high school and graduated together in 1974. A few years later I learned she had moved to Carthage about 30 miles from where I was living at the time (Canton, MS). I spoke with her and made a special trip to visit her and meet her family. I grieve over her passing like so many others who knew and loved her. But I know that one day I will see her again. My condolences to the family and her many friends. I will be joining a great group praying for comfort during the coming days as you, her loved ones, make adjustments in your lives without her being here.*
