“ I loved her spunk and willingness to speak her mind! She was always so nice to me. I loved her sense of style and her decorating ideas. I was in Michigan, 18 years old and not a clue about how to be a wife. She taught me allot about loving my husband and making him the king of our castle. (She also made sure Chuck new I was the queen.) She taught me to make homemade jelly over the phone. She always took time to make me feel part of her family. I am truly going to miss her!
