“ *Mr. Danny was an inspiration to me as a fellow social worker. He was always willing to help and was devoted to his clients I will always think fondly of him. But he was more than that. He was honest, generous and kind to everyone.*

Danny was one of those guys who's light shined just by coming in contact with him. I always enjoyed him officiating my baseball games. So sorry to hear of losing him. He will be missed on the baseball diamonds around the state.. Wes Johnson East Webster High School
