“ My fondest memories are all the times we connected at McDonald church. She loved being there all dressed up in the most beautiful clothes and her hair so beautiful thanks to you Wanda. She loved the hugs she would get every Sunday and it was so easy to give that sweet lady a hug You are all blessed to have her as a mother and to have her this long. I love you sweet lady and I'm sure you have already hooked up with the ladies of McDonald who have gone on before you
