“ *I knew Zach through Brian. Though me and Zach never meet, I know we both shared a Love for the Appalachian Trail and long distance hiking. Both of our journeys in life walked the AT and those memories will forever be etched into the path and my remembering him. Prayers for you and your family.*

“ *So very sorry for your loss! John and I have such fond memories of Zach growing up at the river! I remember he came by the cabin when he found the skull of an alligator! He was proud of his discovery! I told him if he ever found another one I wanted it! Just a young lad enjoying life on the river ! God bless you y'all! I hope Zane gets to experience river life as his Dad Zach! Just remember Zach is with Jesus!*
